Foreword

This manual is designed to specifically outline the rules and policies at the University of Arkansas concerning Panhellenic member sororities. These guidelines are those which have been approved by the Panhellenic Council and are in accordance with those adopted and encouraged by the National Panhellenic Conference. These rules and policies apply to ALL women participating in Recruitment, whether they are potential members, active members, or alumni. Any information regarding the recruitment process must be transmitted from the Greek Life Office and Panhellenic Recruitment Team first.

There is no way possible that this manual will be able to help you with every situation that may arise during Recruitment. If problems should develop which are not covered in this manual, you should refer to the National Panhellenic Manual of Information or contact the current Panhellenic Chair. In all cases, these situations should be handled with the best interests of the Greek Community in mind.

Standards of Ethical Conduct

Each sorority member has a mutual bond, not only with members of her own sorority, but also with all Greek-letter women and men. This means that a spirit of cooperation and helpfulness exists among all sorority members, regardless of their affiliation. This spirit of cooperation is incorporated by Panhellenic into recruiting procedures, rules and policies in order that fairness and goodwill prevail throughout all recruiting activities.

- Since the recruiting period is set aside for the purpose of acquainting sorority members and potential members, each sorority is bound by its sense of honor and fair play to give each potential member a chance to make up her own mind.
- No disparaging remarks may be made by a sorority member about another sorority. Attempts may not be made to evaluate or rank another sorority. This includes any discussion on sorority invitations. No sorority member is qualified to tell a potential member about a sorority other than her own.
- No sorority active member, new member, or alumnae may suggest to any potential member that she refuse a bid from group in order to “wait” for a bid from another group.
- Out of respect for others and to create a welcoming environment, recruitment events and activities within the chapter houses are non-public.
 - a. Participants shall not record or share any video or photos from any such event.
 - b. No recording, filming or photography is permitted on chapter property, inside chapter houses or recruitment spaces without written authorization from our national organizations
 - c. Any breach of this requirement will be considered a serious offense under the recruitment process and may be referred to Student Conduct as a possible violation of the Code of Student Life. (Rule revised August 2022)
- It is in accord with the dignity and good manners of sorority women:
 - a. To create friendly relations between sorority and non-sorority women.
 - b. To avoid publicity on Panhellenic matters which are not properly the concern of nonmembers. The following rules are from the Unanimous Agreements of the National Panhellenic Conference, which govern the procedures of membership selection:

Panhellenic Compact:

1. A potential member shall not be asked to join a sorority before the time designated by the College Panhellenic (Bid Day).

2. A Bid Day at the conclusion of Formal Recruitment shall be fixed by the College Panhellenic. Bid Day is the scheduled time when invitations to potential members are issued.
3. A signed Preference Card or a Continuous Open Bidding Acceptance Card is binding. If the potential member receives a bid under the preference system, she is ineligible to be a new member in any other national fraternity on the same campus for one calendar year. If the potential member does not receive a bid under the preference system, she is eligible for continuous open bidding. If the potential member transfers to another campus during the year, she is eligible for pledging on that campus, at the earliest possible opportunity.
4. A student who has had her pledge broken by a sorority or has broken her pledge to a sorority may not be asked to join another sorority for one calendar year from the date she was originally pledged. However, she may be given a bid by the same sorority at any time within that calendar year.
5. A person who is or who has ever been an initiated member of an existing NPC sorority shall not be eligible for membership

The National Panhellenic Conference Positive Panhellenic Experience

The National Panhellenic Conference's Positive Panhellenic Contact and Promotion of the Sorority Experience policies are not about promoting one's organization and/or chapter. Chapters and its memberships primary focus should be promoting UA Panhellenic and encouraging women to sign up for recruitment.

More specifically, the University of Arkansas Panhellenic Sorority Experience is defined as events and activities where all chapters and its membership participate in such experience. This includes but is not limited to philanthropy & community service, sisterhood, academics, community building, positive social experiences, leadership development, educational programming, on and off campus involvement, career development, mentorship, registered student organizations, health and wellness, cross council relations and diversity and inclusion efforts. When discussing the Panhellenic sorority experience, chapters should refrain from mentioning specifics of their sorority or organization but rather share a positive holistic overview of Arkansas Panhellenic. Potential New Members may ask questions about chapters. However, chapters should not coerce pnm's or encourage them to ask specific chapter-related questions. Again, the primary focus should be promoting UA Panhellenic, Go Greek, and registering for recruitment.

General Recruitment Rules and Policies

1. Recruiting may be defined as any recruitment activity planned or engaged in by a sorority member, new member, alumnae or agent, which attempts to influence or persuade a Potential New Member (PNM) in favor of a particular sorority.
2. The ACTIVE CHAPTER shall bear the penalty for any violation of Panhellenic Recruitment Rules and Policies by initiated members, new members, alumnae, or patroness. The chapter is responsible for informing these individuals of the Recruitment Rules. The Panhellenic Executive Board will provide chapters with a formal letter to alumni stating this rule for chapters to distribute to all alumni.
3. There shall be NO solicited or unsolicited publicity: written, radio or television (Public Access Channel), of any sorority Recruitment-related activity prior to or during Recruitment. This includes any and all current radio station "Shout Out" ads sororities may already have in effect. Any photographs of Recruitment Week parties for publicity purposes must be cleared through the Recruitment Rules and Eligibility Committee or Panhellenic Executive Board of the Panhellenic Council. (This rule does not apply to the City Panhellenic Functions or any nationally sponsored philanthropic events.)
4. Members and new members who are affiliated with the constitutional requirements of the individual member groups may participate in Recruitment. Alumnae may be in the house during Recruitment, but may have no contact with the PNM's unless specified by Panhellenic. Alumni are not to be seen during Recruitment.
5. INACTIVE members may not participate in Recruitment and are not counted as part of total chapter membership, unless specified by Panhellenic.
6. All sorority active members and new members are counted as part of the total chapter membership.
7. Transfer students who are to be affiliated as active members of a chapter may participate in Recruitment. Those not to be affiliated are considered inactive or alumnae and therefore ineligible to participate in Recruitment.
8. PNM's are described as:
 - a. High school students enrolled in their senior year.
 - b. High school graduates that are admitted to the University of Arkansas.
 - c. High school graduates who have not started classes for fall semester at another college or university.
 - d. Transfer students and any student that are taking classes at the University of Arkansas and are enrolled in recruitment.

9. Contact with PNM's prior to Primary Recruitment is encouraged only for the purpose of promoting "Go Greek", encouraging PNMs to register for recruitment, and transmitting information about the Greek Community as a whole and in the spirit of the Panhellenic Experience (please refer to page 6 for definition).. Chapters may reach out to PNMs or respond, but ONLY in the spirit of the Panhellenic Experience. While making such contacts, the following limitations apply:

- a. Recruitment of non-matriculated students at the University of Arkansas may not be recruited prior to primary recruitment.
- b. PNM, whether a sister or not, can't be invited to a sorority house beginning the Monday after Spring Break. This includes spending the night and being invited as a guest for a meal at a sorority house.
 - a. Prior to Spring Break, a sister or non-sister of a sorority member may eat a meal at the sorority house whether they are spending the night or not.
 - b. A sister or non-sister of a sorority member may spend the night prior to Spring Break.
- c. PNMs may not be invited to sorority chapter sponsored events. They may not be invited to overall Greek events.
- d. No Recruitment parties or teas may be given by sorority actives, new members, alumnae, or patroness except those sponsored by Alumnae Panhellenic or the University of Arkansas Panhellenic Council. Furthermore, all Panhellenic sororities from the University of Arkansas should be given two weeks notice to ensure ample time and opportunity to attend all recruitment parties and teas.
- e. No money may be spent on any PNM by sorority members, new members, alumni, or patrons. This rule does not apply to activities sponsored by Alumnae Panhellenic or the equivalent of, as stated above. Sorority chapters/members should not purchase gifts for or receive gifts from PNM's including invitations to dinners, lunch, or other invitations of social interaction.
- f. No sorority or Alumnae Panhellenic may hold Recruitment activities in a sorority house during the holidays or during the summer prior to Primary Recruitment in the Fall 2025 semester.
- g. Sorority women or patroness may not ask a PNM for pictures at any time.

10. No high school women or PNMs may attend a designated sorority date function or sorority/fraternity function during the school year.

11. Women enrolled at the University of Arkansas who are not affiliated with a Greek organization cannot attend a sorority function. This includes sorority functions with a fraternity. Many sororities cannot have a non-member at their social events due to their insurance policies. This is only fair to all the NPC Chapters.

12. If a high school senior visits the campus, sorority members must refrain from taking her out in any capacity. The National Panhellenic Conference encourages positive Panhellenic contact; therefore, a sorority member must talk about Greek Life as a whole. If a PNM asks the sorority member specific questions about the sorority, the member may answer the question AND mention efforts of other Panhellenic sororities. The primary goal of every conversation should always promote the UA Panhellenic Sorority Experience and never the individual chapter (please see definition on page 6).

13. No packets with PNM pictures or information will be given, mailed, e-mailed or distributed at any time to any member that is not part of the exclusive recruitment team or working directly under them of each chapter.

14. No posters may be displayed in any part of the sorority houses (including Chapter Rooms) until Work Week. Those posters must be taken down by 5:00 p.m. the last day of Work Week.

15. *From the Monday after the last day of Spring Break until registration for formal recruitment closes, the social media is strictly “Go Greek”.*

- a. *Chapters are allowed to say “chapter name says Go Greek” during this time period.*
- b. *Chapter specific summer hashtags are okay as long as they are approved by the Assistant Vice Chancellor of Greek Life. However, hashtags may not be included in posts that say, “Go Greek”.*
- c. *Members may wear their letters but may not over emphasize letters while posting pictures that promote “Go Greek”. Whether or not the letters are overemphasized will be at the discretion of the recruitment team.*
- d. *Refrain from using classification years as a reference to PNMs (Example: Class of 2028).*
- e. **No personally reaching out to PNMs.** *If there are questions related to this policy, the chapter or member should reach out to the UA Panhellenic Recruitment Team.*
- f. *No tagging PNMs in sponsor promotions.*
- g. *No celebrities/ memes to promote a chapter.*
- h. *After spring break chapter social media accounts may not follow or be following any PNMs. Chapter member’s social media may like and comment on a PNM’s social media after Spring Break if it is in the spirit of Positive Panhellenic Contact and values-based.*
- i. *Positive Panhellenic Contact is communication in the spirit of Panhellenic unity and desire to reach out to all women to share the opportunity for sorority membership.*
 - a. *Should members comment on PNM social media accounts or use other communication methods it should be promoting “Go Greek” and encouraging PNM’s to register for recruitment. That is the purpose of the NPC policy related to positive contact. If there are questions related to this policy, the chapter or member should reach out to the UA Panhellenic Recruitment Team.*

16. All chapter members participating in Formal Recruitment are required to wear a name tag at all times while in parties.

Eligibility

A cumulative GPA of 2.5 is required for all women planning on going through Primary Recruitment including new students, transfer students with more than 24 credit hours and those with less than 24 transferable hours. Transfer students with less than a 2.5 GPA with 24 transfer 10 hours must complete 12 hours of University of Arkansas college level coursework with a 2.5 GPA to pledge. Some sororities, however, may require a higher GPA for affiliation.

***On Average, our chapters consider a GPA below a 2.6 a grade risk and are limited to how many, if any, grade risks they can accept. Some of the chapters, however, may require a higher GPA for affiliation. Any potential new member with at least a 2.5 cumulative GPA has the right to register for recruitment; however, we strongly encourage anyone with below a 2.6 to weigh these options prior to participating in the recruitment process.**

Registration

1. Women may obtain the application and information through the Greek Life Website (<http://uagreeks.uark.edu>). Upon completion of the application the PNM must send a Recruitment Fee to the Panhellenic Office (Charles & Cappy Whiteside Greek Life Leadership Center, c/o Panhellenic Council, University of Arkansas, 101 Walton Hall, Fayetteville, AR 72701) postmarked by July 15th, 2025.
2. Women may register for Continuous Open Bidding (COB) Recruitment at any time during the school year at the Panhellenic Office, Charles & Cappy Whiteside Greek Life Leadership Center, or phone: (479) 575-5001.
3. Presentations will be made by the Panhellenic Recruitment Chairmen during each summer orientation session concerning Recruitment and Greek Life in General.

Finances

In order to assist PNM's in making a wise decision about sorority life, a general estimate of costs has been established. New members should expect to pay a range of (lowest to highest) in sorority dues for their first full year of membership. This may include a potential member fee, monthly dues, initiation fees, and a pin or badge, and Greek life fee. Members living in a sorority house should expect that the average annual cost of room and board and meals is a range from (lowest to highest). A member living out of house should expect to pay on average a range from (lowest to highest) annually.

Chapter's individual financial reports will be shared in our Look Book and Potential New Member Manual. Chapters are expected to share accurate information.

Lost and Found

There will be a lost and found maintained in the Panhellenic Office during Primary Recruitment. If a PNM leaves an article in a sorority house, she or her Gamma Chi should call the Panhellenic Office at (479) 575- 5001. The sororities will turn in items that have been left behind. **AT NO TIME** should a PNM and a sorority member contact each other about the matter.

Summer Recruitment Rules

CLARIFICATION: “Summer” for the purpose of these rules and policies, begins on Reading Day: May 2nd, 2025 and ends on August 5th, 2025 at 12:00 a.m.

1. Panhellenic supports only those summer parties or activities sponsored by the U of A Panhellenic or cooperative City Panhellenic groups. These activities are the Panhellenic information sessions many area alumni groups have in order to help inform Potential New Members about the entire Greek system and the Recruitment Process. No individual recruiting may be conducted at the summer informational parties.

2. Panhellenic, in cooperation with the Office of Greek Life will sponsor Greek information sessions during the summer orientations:

a. The Panhellenic Recruitment Team will attend these sessions to ensure Recruitment rules are upheld. These information sessions are designed to be positive events to encourage women to participate in Recruitment, not to join a particular sorority.

b. Each sorority representative is to encourage the women to GO GREEK and to give PNMs and parents information concerning Recruitment as a whole.

c. If Gamma Chis attend these sessions they will do so as a Gamma Chi and not as a member of their respective sorority.

d. No more than three representatives from each sorority may be in attendance.

3. In no capacity will men be allowed to participate in Summer Recruitment activities.

4. Summer Contact Rules

Social interaction:

Normal social contact is acceptable in the case of long-standing friendships. This may include neighbors and co-workers. This contact affects women who just graduated from high school and U of A students who just completed the Spring 2025 term. **Personal visitation and/or deliberately seeking out potential new members**, such as requesting resumes (or activity sheets), or asking for pictures is not normal friendly contact and is prohibited.

Members and/or recent college graduates are also not permitted to invite or take PNM's to parties or events, including Fraternity Summer Recruitment Parties. We understand that some casual contact cannot always be prevented. The purpose of these limitations is to allow a PNM to remain free of outside pressures and opinions in making her decision about affiliation.

If a sorority member is living with a U of A student or sister that is participating in Formal Recruitment, they must register her with Panhellenic before they go home for the summer. This is to protect chapters from false accusations. To register this with Panhellenic, the member should add the PNMs name and their relationship to the chapter summer contact list.

Letter writing, phone calls, Skyping, and e-mails to all high school senior women and any other PNM are strictly prohibited. A member or new member may use online social networking tools to RESPOND to a PNM if it is in the spirit of Positive Panhellenic Contact. Any marketing materials that are desired to be sent out to PNMs must be dispersed to ALL PNMs and is at the discretion of the approval of the UA Panhellenic Recruitment Team. Chapters are not able to single out any potential new members to send marketing materials, it must go out to all PNMs participating in Fall Recruitment. Again, should members comment on PNM social media accounts, respond to PNM messages, and/ or use other communication methods, it should be promoting “Go Greek” and encouraging PNM’s to register for recruitment. That is the purpose of the NPC policy related to positive contact. *In addition, no chapter Instagram account can use the account to follow or contact a PNM in any way including but not limited to direct messaging, leaving comments, friend requests, liking a PNM’s picture, etc. Chapter Instagram accounts will be reviewed periodically.* If chapters are found to be in violation a violation could be filed. The Panhellenic Recruitment Team reserves the right to review online networking sites during the summer and if it is found that members are having contact with a PNM that is not in the spirit of Positive Panhellenic Contact, an infraction will be filed. For this reason, members and new members who have online social networking accounts may not “block” the Panhellenic Recruitment Team.

If the chapter Recruitment Chairwoman and/or President receives an email or other type of contact from a PNM asking questions regarding Recruitment procedures, (i.e. “How do I register/become a member”), the Recruitment Chairwoman and/or President may answer their questions as long as it is in the spirit of Positive Panhellenic Contact. If a PNM contacts the Recruitment Chairwoman and/or President asking about obtaining a recommendation letter from local alumnae, they may refer the PNM to local alumnae for assistance.

If approached by a potential new member, sorority women are to promote GREEK LIFE in a positive light, not to RECRUIT for her sorority. There should be NO PERSUADING by a sorority or individual sorority woman.

When an Infraction is filed for violating the Summer Contact Rules, sanctions can be enforced. These sanctions may include but are not limited to a formal apology at Recruitment Orientation, fines and/or any other sanctions Panhellenic deems just and acceptable.

Please note that medleys and chapter chants are not considered to be the same thing. Anything used to enhance sound may not be placed outside or used in any capacity to face outdoors.
